### Audrey Moore Pool Closes During Renovations; RECenter Still Open

The Audrey Moore RECenter pool/natatorium will be closed from August 20, 2007 until November 3, 2007. The RECenter, located in Wakefield Park in Annandale, will be open for regular business during the renovation except for the natatorium. The closure is part of an annual, ongoing maintenance program that rotates between the nine RECenters operated by the Fairfax County Park Authority.

Throughout the RECenter, customers will find staff and signage explaining the impact of closure as well as alternatives. During the shut down pass holders will be directed to the other FCPA RECenters. Those who choose not to participate at other RECenters may inactivate their passes until reopening. The lost time will be added back on after reopening. Only aquatic classes will be cancelled during this time. All other classes will go on as normal.

During this time the RECenter will also be resurfacing the parking lot as well as Wakefield Park athletic field parking lots. This will be conducted in phases so as to minimize the impact to our customers.

For more information about these closures contact Audrey Moore RECenter at 703-321-7081.
